# Suteemon Yodying

Full-Stack Developer

Bangkok, Thailand · +66 84 101 5526 · Suteemon_Yodying@hotmail.com
resume-psi-neon.vercel.app · github.com/XXRTH-S

## PROFILE

Full-stack developer building and improving web and mobile applications, from database design and APIs to user interfaces. Project work includes AI assistants, document retrieval, and Thai transcription and summarization.

## EXPERIENCE

**Bangkok Expressway and Metro PCL** Present

Full-Stack Developer

Develop and maintain web applications across frontend, backend, databases, and system integrations. Improve existing systems based on business needs; troubleshoot functionality and performance issues.

**KCE Electronics PCL** 2025

Full-Stack Developer

Developed a mobile application and companion website, including database and UX/UI design, image uploads, search, sorting, and user-specific screens. Enhanced an existing web application with Excel export and additional data fields.

## TECHNICAL SKILLS

**Languages:** TypeScript, JavaScript, Python, C#, SQL, Dart, PHP, Java, C

**Web & mobile:** React, Next.js (project work), Node.js, Express, Flutter, .NET, Laravel, HTML/CSS

**Data & tools:** SQL Server, MySQL, Prisma, Git, Docker; PostgreSQL, pgvector, FastAPI, Redis (project work)

## SELECTED PROJECTS

**PM Management** 2026

React, TypeScript, Node.js, SQL Server

IT maintenance platform with role-based access, configurable checklists, activity logs, Excel reporting, and Docker Compose.

**Rag playground** 2026

Python, FastAPI, Next.js, pgvector

Thai document Q&A with selective OCR, BGE-M3 embeddings, hybrid keyword/vector retrieval, and streamed answers with source citations.

**Buzzle** 2026

Next.js, FastAPI, PostgreSQL, RQ, Redis

Thai audio/video transcription, editable timestamped text, seven summary formats, and Thai PDF export using Groq and OpenRouter. Personal project in local Docker preview.

**Bubble Resume Assistant** 2026

Next.js, React, OpenRouter

Bilingual portfolio assistant with grounded resume context, server-side model integration, and an animated mascot.

## EDUCATION & LANGUAGES

Silpakorn University | Computer Science | 2020-2024
